ONLINE/CD-ROM
CERTIFICATION COURSES FOR FOOD SERVICE SANITATION

Illinois Department of Public Health (IDPH) approved digital food safety training courses are now available. These digital courses provide an engaging, interactive way to reinforce understanding of food safety. The courses effectively teach key food safety practices and prepare foodservice professionals to take the Illinois Food Service Sanitation Manager Certification Exam. These courses allow foodservice professionals an opportunity to complete training at their convenience without disrupting busy schedules and learn at their own pace.

An Illinois certified instructor must be contacted prior to starting the digital course. The instructor will explain how the program works and must be available to answer questions during normal business hours, Monday through Friday. To find a certified instructor in your area, contact the IDPH (West Chicago) at 630.293.6800 or the Lake County Health Department at 847.377.8040.

The online certification course must be completed in **15 hours** (NO LESS) and proof must be provided to the instructor. This information can be printed out at the completion of your course and must be presented at the time of your examination.
